

BLEND GUIDE

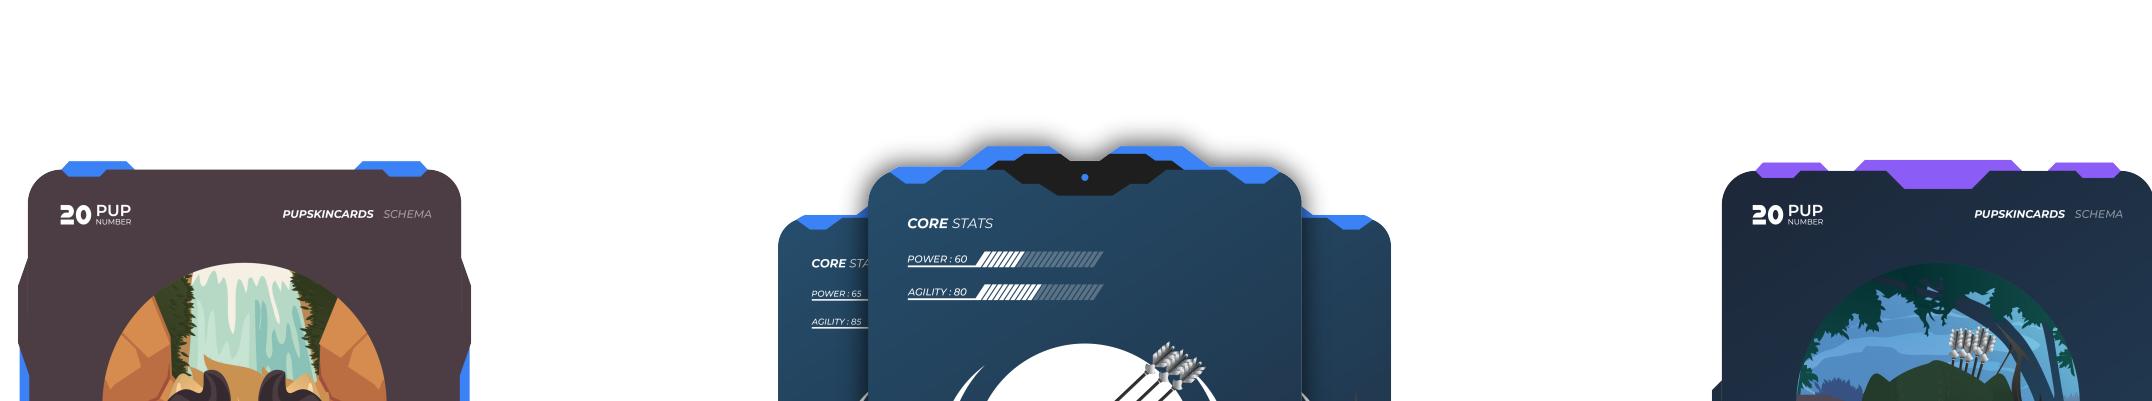

Learn how to **blend**

Blending is a regular thing that happens during events. The blend ingredients are always announced and sometimes change. But, here are some blending recipes that will never change :

Blending an Uncommon pupskin

Blending a Rare pupskin

Blending a Mythic pupskin

Blending a Cosmic pupskin

NOTE : Special rarity pupskins are event-only pupskins. Depending on the event, Special rarities may have blends or none. To learn about Special rarities, make sure to read announcements made available in our [discord server](#).

pupitems are **upgradable** and **swappable**
